Dear Mr. Barrutia:

Thank you so much for sending me the copy of the book published by CONCANACO SERVYTUR and The Department of Commerce and Industry. I know this information will be extremely helpful to me and ASTA.

I thoroughly enjoyed the opportunity to meet with you several months ago and hope to see you again soon. Please keep in touch with ASTA Headquarters. Ms. Taryn Moore will be assisting me with my international responsibilities in 1995. Please do not hesitate to call Taryn if you need any assistance.

All best wishes.

Sincerely,

Earlene
