Dear Senor Franco:

On behalf of the International Trade Council of Frederick County (formerly known as the Frederick County Export Council), I want to thank you for moderating the Latin America panel on Tuesday, October 17. The participants gained insight and knowledge from the information you were able to share. We believe this will assist them in succeeding in their global marketing efforts.

We hope to see you involved in our upcoming events in 1996. We wish you all the best.

Sincerely,

Diane M. Wirth
Chair, International Trade Council
