Mr. Fernando Barrutia Franco

CONCANACO-SERVYTUR
1030 15th Street, N.W., Suite 206
Washington, D.C. 20005

Dear Mr. Barrutia:

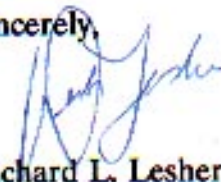

Thank you for your letter formally introducing the Washington office of the Mexican Confederation of National Chambers of Commerce, Services, and Tourism. The United States Chamber of Commerce welcomes the opportunity to expand the close working relationship with your organization on important issues affecting both Mexico and the United States.

David Hirschmann has briefed me on the many activities that CONCANACO-SERVYTUR has been involved in recently and informs me that you have already been working closely with him.

I am pleased to convey that Mr. Marcil greatly enjoyed his involvement in the third trilateral meeting of the North American Chambers of Commerce in Banff and especially meeting your chairman, Mr. German Gonzales Quintero. The U.S. Chamber would like to continue and expand this type of productive dialogue and cooperation in the years to come.

Please relay my personal regards to Mr. Gonzales. I look forward to having the opportunity to discuss the many issues of mutual concern to our organizations the next time he is in Washington meeting with you. Thank you again for your letter of introduction.

Sincerely,

Richard L. Lesh
