

HSB News Brief

HSB International has been given the mandate to dismantle, coordinate the shipping, and assist with the relocation of a large Jagenberg folio sheeter. The sheeter was designed for 230TPD production, with five (5) roll double back stands, 86 inch (2185 mm) wide rolls.

The machine is being relocated from Cornwall, Ontario, Canada to India and includes all the packaging, stacking, palletizing and wrapping equipment.
